The many things you'll need to know about your adventure with

Magical Adventures

What if I need to cancel or change my reservation?

Your space in our balloon is reserved by credit card or advance payment. We accept major credit cards. Your credit card is used for authorization only, so you may pay cash the morning of your flight. Our cancellation policy is 48 hours. If you cancel within 48 hours of your flight or fail to show up, no refund is given and full fare will be charged. Promotional discounted fares are not refundable, only reschedulable for another date.

What do I wear?

We recommend wearing layered casual clothes, something you don't mind getting dusty, dirty or possibly stained. It is usually warm in the basket due to the burner used to heat the air. Please bring a hat and wear closed toe flat sole shoes.

Are there any age restrictions or limitations?

You must be in good general health. Pregnant women and people with pre-existing lower back problems should not ride. Children, 3 years and older, must keep both feet on the basket floor, we recommend children be tall enough to see over the basket, to prevent boredom. Riders over 225 lbs. may be subject to a \$50 weight fuel surcharge. All passengers must be able to stand unassisted in the balloon. Wheelchair riders must book a private flight to prevent possible injury to other riders. You are required to read and sign a liability waiver in order to ride in our balloons.

What if the weather is bad?

Temecula Valley, Del Mar and Palm Desert have their own micro-weather system. The weather may often be sour in most of the rest of Southern California but just fine where we fly. We rarely cancel rides due to weather. However, if we must cancel due to weather, we offer a full refund for full priced purchases or you can reschedule for another day. Gift purchases, promotional or discounted fares as well as Group buy vouchers are limited to rescheduling for another day.

If you are part of our Balloon and Wine tour and our balloons cannot fly, you will receive a voucher for a balloon ride on another day.

What if I am afraid of heights?

Believe it or not, most of our customers are afraid of heights. Because we are in an attached basket, riders do not experience the fear of falling sensation that one gets when looking over a ledge, concerned that the ground beneath will give way. Our flight includes terrain flying (like a magic carpet ride), floating just above the tree tops. We smoothly climb up so that you may get a good look of the valley or Pacific Ocean. Most riders tell us that the balloon ride is as gentle as riding in an elevator.

Tipping policy?

Our entire staff is dedicated to providing you with excellent service. Tips make up a portion of the compensation for our pilots, ground crew, drivers and tour guides and are shared among all. Tipping is customary in our industry with 10% being the average. If you had a safe flight and enjoyable time, please remember to tip. Your gratuity is greatly appreciated.
